8. **Roadside Signs:** R. Kahn deployed 13 of the new Roadside Signs on Sept.23rd along Wason Rd in preparation for the Roadside Cleanup on October 3rd. The signs were retrieved by R Kahn shortly after October 10th. The two A-Frame Roadside Cleanup signs were deployed on Sept. 25th and picked up after the Cleanup ends on October 3rd. All signs were cleaned and event specific info on A-Frame signs removed before being put into storage at the DPW by D. Putnam.

9. **Roadside Cleanup:** This is a very ambitious project was supported by the Hudson DPW and Hudson PD. Three members of the committee and three residents – Dan, Barbara and Craig – worked together. Significant progress was made along one side of Wason Rd. until the crew got to a long ravine that contained many heavy items along with the, unfortunately, usual trash and recyclables. Thus, the crew was only able to clear less than 1/3 of one side of Wason Rd. D. Putnam reached out to both the DPW and the HPD after the cleanup to thank them for their support. D. Putnam inquired as to whether both would support continuing to the Clean-up during the normal spring Roadside Cleanup organized by the Committee. Both the DPW and HPD affirmed their support for continuing to clean up Wason Rd.
